Hi Again,

I wanted to post a quick message so everyone could have an electronic copy of each of the newspapers that featured stories and photos around our encampment.

[Lead Story, Tuesday, July 15th, 2008](#)

[Supplement, Saturday, July 19th, 2008](#)

Also, I know everyone is anxious to see photos from the encampment. Please be patient as myself and 1st Lt Carson have many many photos to sift through and upload to the online photo gallery. As soon as the gallery is available, we'll let everyone know. Thank you!

Enjoy!
